for the  
EASTERN DISTRICT OF NORTH CAROLINA

U.S.A. vs. HUGH MONROE DYSON

Docket No. 5:16-CR-163-1D

**Petition for Action on Conditions of Pretrial Release**

COMES NOW Amir A. Hunter, U.S. Probation Officer of the court, presenting an official report upon the conduct of defendant, HUGH MONROE DYSON, who was placed under pretrial release supervision by the Honorable James C. Dever III, Chief U.S. District Judge, sitting in the Court at Raleigh, on the 17th day of August, 2016.

The defendant appeared before James C. Dever III, the Chief U.S. District Judge for arraignment on the 17th day of August, 2016, and supervision was continued under existing conditions.

**RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS  
FOLLOWS:**

On March 14, 2017, the defendant submitted a urine sample that tested positive for Hydrocodone and Hydromorphone. On March 22, 2017, the defendant admitted to the probation officer that his wife provided a tablespoon of his wife's medication, Hydrocodone-Chlorphen the night before to assist in his cough. The defendant provided a copy of the script of his wife's medication to the probation office which is consistent with the positive drug screen.

**PRAYING THAT THE COURT WILL ORDER** for the defendant to continue under his existing conditions as this is his first violation since his release on bond. The probation office will notify the court if there are any further violations and random drug screens will be provided to monitor compliance with his conditions.

Reviewed and approved,

I declare under penalty of perjury that the foregoing is true and correct.
